ASSIGNMENT - PATENT APPLICATION

WHEREAS, I, Ilkka KOJO, from Kirkkonummi, Finland, have invented certain new and useful improvements in

Supply system for suspension smelting furnace

for which an application for United States Letters Patent is being filed as entry into the national stage of PCT/FI2005/000010; and

WHEREAS, **OUTOKUMPU TECHNOLOGY OY** of Riihitontuntie 7, FI-02200 Espoo, Finland (hereinafter "Assignee") desires to acquire an interest therein and in the Letters Patent to be obtained therefor;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, I hereby assign and transfer to Assignee, for the territory of the United States of America and all other countries, my entire right, title, and interest in and to said improvements and in and to said application and any Letters Patent that may be granted therefor in the United States and any other country including any division, continuation, substitute, renewal or reissue of said application or said Letters Patent.

I hereby agree to communicate to Assignee any facts known to me relating to said improvements, to testify as to the same in any interference or legal proceeding concerned therewith, to execute promptly and deliver to Assignee upon request any and all papers, instruments, declarations and affidavits required to apply for, obtain, maintain and enforce said Letters Patent, and generally to do everything necessary or desirable to vest and perfect title thereto in Assignee.

This assignment is binding upon me and my heirs, successors and personal representative, and shall inure to the benefit of Assignee, its successors, assigns and nominees.

I agree that no attorney/client or other fiduciary relationship exists between me and Smith-Hill and Bedell, P.C.

IN TESTIMONY WHEREOF, I have hereunto set hand this
__8th__ day of __June__, 2006.
